- and -

SCARBOROUGH SUPPORT SERVICES FOR THE ELDERLY INC. (the "HSP")

Background:

Prior to providing funding for the provision of services to its local health system, the *Local Health System Integration Act, 2006* requires that the LHIN and the HSP enter into a service accountability agreement.

The service accountability agreement is a multi-year agreement. It supports a collaborative relationship between the LHIN and the HSP to improve the health of Ontarians through better access to high quality health services, to co-ordinate health care in local health systems and to manage the health system at the local level effectively and efficiently.

In this context, the HSP and the LHIN agree that the provision of services to the local health system by the HSP will be funded as set out in this Agreement.

 - (ii) Applicable Law;
- (b) When providing the Services, the HSP will meet the Performance Standards and Conditions identified in Schedule E, if Schedule E is included in this Agreement;

- (a) Unless permitted in the Service Plan, the HSP agrees that the HSP will not subcontract the fulfillment of all or any part of the HSP's obligations under this Agreement without the prior written consent of the LHIN. Such consent will be in the sole discretion of the LHIN and may be subject to additional terms and conditions.
- (b) If the HSP is permitted to subcontract the provision of the Services, the HSP will make reasonable efforts to include in its subcontract, (i) provisions that permit the LHIN and the Auditor General to audit the subcontractor to the same extent as set out in provisions 8.3 and 8.6 of this Agreement; (ii) other provisions necessary for the HSP to fulfill its obligations under this Agreement; (iii) a provision that enables the subcontract to be assigned in the event that this Agreement is terminated; and (iv) a provision that permits the LHIN to revoke approval of the subcontractor without legal liability to either the HSP or the subcontractor.
- (c) If permitted to use subcontractors, the HSP will remain liable for obligations performed by a subcontractor to the same extent as if the HSP had performed such obligations. For the purpose of this Agreement work performed by the HSP's subcontractor will be deemed work performed by the HSP.
- (d) Nothing contained in this Agreement or a subcontract will create a contractual relationship between any subcontractor or its directors, officers, employees, agents, partners, affiliates or volunteers and the LHIN.

- 3.3 **Conflict of Interest.** The HSP will (a) avoid any Conflict of Interest in the performance of its contractual obligations; (b) disclose to the LHIN without delay any actual or potential Conflict of Interest that arises during the performance of its contractual obligations; and (c) comply with any requirements prescribed by the LHIN to resolve any Conflict of Interest. In addition to all other contractual rights or rights available at law or in equity, the LHIN may immediately terminate the Contract upon giving notice to the HSP where: (a) the HSP fails to disclose an actual or potential Conflict of Interest; (b) the HSP fails to comply with any requirements prescribed by the LHIN to resolve a Conflict of Interest; or (c) the HSP Conflict of Interest cannot be resolved. This paragraph will survive any termination or expiry of the Agreement.
- 3.4 **E-health/Information Technology Compliance.** The HSP agrees to comply with any technical standard related to architecture, technology, privacy and security set for health service providers by the MOHLTC or the LHIN within the timeframes set by the MOHLTC or the LHIN as the case may be.

Amendments will be effective on the first Day of April following the receipt of the notice or on such other date as may be advised. By signing a copy of this Agreement the HSP acknowledges that it has a copy of the manuals, guidelines or policies identified in Schedule D.

ARTICLE 4 - FUNDING

4.1 **Funding.** The LHIN:

- (i) will provide the funds identified in Schedule B to the HSP for the purpose of providing or ensuring the provision of the Services;
- (ii) may pro-rate the funds identified in Schedule B to the date on which the Agreement is signed, if that date is after April 1; and
- (iii) will deposit the funds in instalments [once/twice] monthly over the Term of the Agreement, into an account designated by the HSP provided that the account resides at a Canadian financial institution and is in the name of the HSP.

4.2 **Limitation on Payment of Funding.** Despite section 4.1, the LHIN:

- (i) will not provide any funds to the HSP until the Agreement is fully executed;
- (ii) will not provide any funds to the HSP until the HSP meets the insurance requirements described in section 11.4;
- (iii) will not be required to continue to provide funds in the event the HSP breaches any of its obligations under this Agreement, until the breach is remedied to the LHIN's satisfaction; and
- (iv) may adjust the amount of funds it provides to the HSP in any Funding Year based upon the LHIN's assessment of the information contained in the Reports.

4.3 **Appropriation.** Funding under this Agreement is conditional upon an appropriation of moneys by the Legislature of Ontario to the MOHLTC and funding of the LHIN by the MOHLTC pursuant to the Act. If the LHIN does not receive its anticipated funding the LHIN will not be obligated to make the payments required by this Agreement and the LHIN may terminate the Agreement in accordance with section 12.1(b).

4.4 **Additional Funding.**

(a) Unless the LHIN has agreed to do so in writing, the LHIN is not required to provide additional funds to the HSP for providing additional Services or for exceeding the requirements of Schedule E.

(b) The HSP may request additional funding by submitting a proposal to amend its Service Plan. The Service Plan will be amended to include any approved additional funding.

4.5 **Conditions of Funding**

- (a) The HSP will:
 - (i) use the Funding only for the purpose of providing the Services in accordance with the terms of this Agreement;
 - (ii) spend the Funding only in accordance with the Service Plan; and
 - (iii) propose, achieve and maintain an Annual Balanced Budget.
- (b) "Annual Balanced Budget" means that, in each fiscal year of the term of this Agreement, the total expenses of the HSP are less than or equal to the total revenue, from all sources, of the HSP.
- (c) The LHIN may impose such additional terms or conditions on the use of the Funding which it considers appropriate for the proper expenditure and management of the Funding.

4.6 **Interest.**

- (a) Funding will be placed in an interest bearing account at a Canadian financial institution.
- (b) Interest Income must be used, within the fiscal year in which it is received, to provide the Services.
- (c) Interest Income will be reported to the LHIN and is subject to a year end reconciliation. In the event that some or all of the Interest Income is not used to provide the Services,
 - (i) the LHIN may deduct the amount equal to the unused Interest Income from any further Funding instalments under this or any other agreement with the HSP; and/or
 - (ii) the LHIN may require the HSP to pay an amount equal to the unused Interest Income to the Ministry of Finance.

4.7 **GST.** The HSP:

- (i) acknowledges that all GST rebates it anticipates receiving from the use of the Funding have been incorporated in its Budget;
- (ii) agrees that it will advise the LHIN if it receives any unanticipated GST rebates from the use of the Funding, or from the use of funding received from either the LHIN or the MOHLTC in years prior to this Agreement that was not recorded in the year of the related expenditure;

(iii) agrees that all GST rebates referred to in (ii) will be considered Funding in the year that the rebates are received, regardless of the year to which the rebate relates.

4.8 **Procurement of Goods and Services.** The HSP will have a procurement policy in place that requires the acquisition of supplies, equipment or services valued at over \$25,000 through a competitive process that ensures the best value for funds expended. If the HSP acquires supplies, equipment or services with the Funding it will do so through a process that is consistent with this policy.

4.9 **Disposition.** The HSP will not, without the LHIN's prior written consent, sell, lease or otherwise dispose of any assets purchased with Funding, the cost of which exceeded \$25,000 at the time of purchase.

ARTICLE 5 - REPAYMENT AND RECOVERY OF FUNDING

- (c) **On Reconciliation and Settlement.** If the year end reconciliation and settlement process demonstrates that the HSP received Funding in excess of its entitlement, the LHIN will require the repayment of the excess Funding.
- (d) **As a Result of Performance Management or System Planning.** If Services are adjusted, as a result of the performance management or system planning processes, the LHIN may adjust the Funding to be paid under Schedule B, require the repayment of excess Funding and/or adjust the amount of any future funding installments accordingly.
- (e) **In the Event of Forecasted Surpluses.** If the HSP is forecasting a surplus the LHIN may adjust the amount of Funding to be paid under Schedule B, require the repayment of excess Funding and/or adjust the amount of any future funding installments accordingly.
- (f) **On the Request of the LHIN.** The HSP will, at the request of the LHIN, repay the whole or any part of the Funding, or an amount equal thereto if the HSP:
- (i) has provided false information to the LHIN knowing it to be false;
 - (ii) breaches a term or condition of this Agreement and does not, within 30 Days after receiving from the LHIN written notice of the breach take reasonable steps to remedy the breach; or
 - (iii) breaches any federal or provincial law or regulation that directly relates to the provision of, or ensuring the provision of, the Services.
- (g) Subsections 5.1(c) and (d) do not apply to Funding already expended properly in accordance with this Agreement. The LHIN will, at its sole discretion, and without liability or penalty, determine whether the Funding has been expended properly in accordance with this Agreement

- 5.2 **Provision for the Recovery of Funding.** The HSP will make reasonable and prudent provision for the recovery by the LHIN of any Funding for which the conditions of Funding set out in subsection 4.5 are not met and will hold this Funding in accordance with the provisions of subsection 4.6 until such time as

reconciliation and settlement has occurred with the LHIN. Interest earned on Funding will be reported and recovered in accordance with subsection 4.6.

5.3 Settlement and Recovery of Funding for Prior Years.

(a) The HSP acknowledges that settlement and recovery of Funding can occur up to seven years after the provision of Funding.

(b) Recognizing the transition of responsibilities from the MOHLTC to the LHIN, the HSP agrees that if the parties are directed in writing to do so by the MOHLTC, the LHIN will settle and recover on behalf of the MOHLTC, and the HSP will enable the recovery of funding provided to the HSP by the MOHLTC in fiscal 2000/01 and every subsequent fiscal year up to and including 2006/07. All such settlements and recoveries will be subject to the terms applicable to the original provision of funding.

5.4 Debt Due.

(a) If the LHIN requires the re-payment by the HSP of any Funding the amount required will be deemed to be a debt owing to the LHIN by the HSP. The LHIN may adjust future funding instalments to recover the amounts owed or may, at its discretion direct the HSP to repay the amount owing to the LHIN

(b) All amounts repayable to the LHIN will be paid by cheque payable to the "Ontario Minister of Finance" and mailed to the LHIN at the address provided in section 13.1.

5.5 Interest Rate. The LHIN may charge the HSP interest on any amount owing by the HSP at the then current interest rate charged by the Province of Ontario on accounts receivable.

ARTICLE 6.0 - PLANNING & INTEGRATION

6.1 Planning for Future Years.

(a) **Advance Notice.** The LHIN will give at least sixty Days notice to the HSP of the date by which a Community Annual Planning Submission ("CAPS"), approved by the HSP's governing body, must be submitted to the LHIN.

(b) **Multi-Year Planning.** The CAPS will be in a form acceptable to the LHIN and will incorporate (i) prudent multi-year financial forecasts; (ii) plans for the achievement of performance targets; and (iii) realistic risk management strategies. It will be aligned with the LHIN's Integrated Health Service Plan and will reflect local LHIN priorities and initiatives. If the LHIN has provided multi-year planning targets for the HSP, the CAPS will reflect the planning targets.

(c) **Multi-year Planning Targets.** Schedule B may reflect an allocation for the first fiscal year of this Agreement as well as planning targets for up to two additional years, consistent with the Term of the Agreement. In such an event,

(i) the HSP acknowledges that if it is provided with planning targets, these targets are (A) targets only, (B) provided solely for the purposes of planning, (C) are subject to confirmation and (D) may be changed at the discretion of the LHIN. The HSP will proactively manage the risks associated with multi-year planning and the potential changes to the planning targets.

(i) the LHIN agrees that it will communicate any material changes to the planning targets as soon as reasonably possible.

(d) **Service Accountability Agreements.** The HSP acknowledges that if the LHIN and the HSP enter into negotiations for a subsequent service accountability agreement, funding may be interrupted if the subsequent accountability agreement is not executed on or before the expiration date of this Agreement.

6.2 Community Engagement & Integration Activities

(a) **Community Engagement.** The HSP will engage the community of diverse persons and entities in the area where it provides health services when setting priorities for the delivery of health services and when developing plans for submission to the LHIN including but not limited to CAPS and integration proposals.

(b) **Integration.** The HSP will, separately and in conjunction with the LHIN and other health service providers, identify opportunities to integrate the services available to the local health system to provide appropriate, co-coordinated, effective and efficient services.

(c) **Reporting.** The HSP will report on its community engagement and integration activities as requested by the LHIN, and in any event, in its year end report to the LHIN.

6.3 Planning and Integration Activity Pre-proposals

6.3.1 **General:** A pre-proposal process has been developed to (i) reduce the costs incurred by an HSP when proposing operational or service changes; (ii) facilitate the HSP to carry out its statutory obligations; and (iii) enable an effective and efficient response by the LHIN. Subject to specific direction from the LHIN, this pre-proposal process will be used in the following instances:

- (i) the HSP is considering an integration or an integration of services, as defined in the Act between the HSP and another person or entity; or
- (ii) the HSP is proposing to reduce, stop, start, expand or transfer the location of Services; or
- (iii) to identify opportunities to integrate the services of the local health system, other than those identified in (i) or (ii) above; or
- (iv) if requested by the LHIN.

6.3.2 **LHIN Evaluation of the Pre-proposal:** A pre proposal is not formal notice of a proposed integration under s. 27 of the Act. LHIN consent to develop the project concept outlined in a pre-proposal does not constitute approval to proceed with the project. Nor does LHIN consent presume the issuance of a favourable decision, should such a decision be required by section 25 or 27 of the Act. Following the LHIN's review and evaluation, the HSP may be invited to submit a detailed proposal and a business plan for further analysis. Guidelines for the development of a detailed proposal and business case will be provided by the LHIN.

6.4 **Proposing Integration Activities in the Planning Submission.** No integration activity described in subsection 6.3 may be proposed in a CAPS unless the LHIN has consented, in writing, to its inclusion pursuant to the process set out in 6.3.2

6.5 **Definitions.** In this section 6.0 the terms "integrate", "integration" and "services" have the same meanings attributed to them in subsection 2(1) and section 23 respectively of the Act. Specifically:

- (i) "integrate" includes,
 - (a) to co-ordinate services and interactions between different persons and entities,
 - (b) to partner with another person or entity in providing services or in operating,
 - (c) to transfer, merge or amalgamate services, operations, persons or entities,
 - (d) to start or cease providing services,
 - (e) to cease to operate or to dissolve or wind up the operations of a person or entity,

and "integration" has a similar meaning; and

- (ii) "service" includes,
 - (a) a service or program that is provided directly to people,
 - (b) a service or program, other than a service or program described in clause (a), that supports a service or program described in that clause, or
 - (c) a function that supports the operations of a person or entity that provides a service or program described in clause (a) or (b).

ARTICLE 7.0 – PERFORMANCE IMPROVEMENT PROCESS

- 7.1 **Performance.** The parties will strive to achieve on-going performance improvement. They will address performance improvement in a proactive, collaborative and responsive manner.
- 7.2 **Performance Factors.**
- (a) A “Performance Factor” is any matter that could, or will, significantly affect a party’s ability to fulfil its obligations under this Agreement;
 - (b) Each party will notify the other party of the existence of a Performance Factor, as soon as reasonably possible. The notice will:
 - (i) describe the Performance Factor and its actual or anticipated impact;

 - (iii) indicate whether the party is requesting a meeting to discuss the Performance Factor; and
 - (iv) address any other issue or matter the party wishes to raise with the other party.
 - (c) The recipient party will provide a written acknowledgment of receipt of the notice within seven Days of the date on which the notice was received (“Date of the Notice”).
 - (d) Where a meeting has been requested under 7.2(b) (iii), the parties agree to meet and discuss the Performance Factors within fourteen Days of the Date of the Notice, in accordance with the provisions of subsection 7.3
- 7.3 **Performance Meetings**
- (a) During a meeting on performance, the parties will:
 - (i) discuss the causes of a Performance Factor;
 - (ii) discuss the impact of a Performance Factor on the local health system and the risk resulting from non-performance; and
 - (iii) determine the steps to be taken to remedy or mitigate the impact of the Performance Factor (the “Performance Improvement Process”).
- 7.4 **The Performance Improvement Process.** The Performance Improvement Process will focus on the risks of non-performance and problem-solving. It may include:
- (i) a requirement that the HSP develop and implement an improvement plan acceptable to the LHIN and that maximizes overall performance while achieving a balanced budget over a fixed multi-year term;
 - (ii) a revision and amendment of the HSP’s obligations; and or
 - (iii) an in-year, or year end, adjustment to the Funding;

among other possible means of responding to the Performance Factor or improving performance.

ARTICLE 8 - REPORTING, ACCOUNTING AND REVIEW

8.1 Reporting

(a) **Generally.** The LHIN's ability to enable its local health system to provide appropriate, co-ordinated, effective and efficient health services as contemplated by the Act, is heavily dependant on the timely collection and analysis of accurate information. (d) **Financial Reductions.** Notwithstanding any other provision of this Agreement, and at the discretion of the LHIN, the HSP may be subject to a financial reduction in any of the following circumstances:

- (i) its CAPS is received after the due date;
- (ii) its CAPS is incomplete;
- (iii) the quarterly performance reports are not provided when due; or
- (iv) financial and/or clinical data requirements are late, incomplete or inaccurate,

where the errors or delay were not as a result of LHIN actions or inaction. If assessed, the financial reduction will be as follows:

- (v) if received within 7 days after the due date, incomplete or

inaccurate, the financial penalty will be the greater of (i) a reduction of 0.02 percent (0.02%) of the funding identified on Schedule B; or (ii) two hundred and fifty dollars (\$250.00); and

(b) The cost of a financial audit, review or investigation will be borne by the HSP. The cost of any other form of audit review or investigation will be borne by the HSP if the audit review or investigation determines that the HSP has not fulfilled its obligations under this Agreement.

(c) HSP's obligations under this paragraph will survive any termination or expiration of the Agreement.

8.3 Document Retention and Record Maintenance. The HSP agrees

- (i) that it will retain all records (as that term is defined in the *Freedom of Information and the Protection of Privacy Act*) related to the HSP's performance of its obligations under this Agreement for seven (7) years after the termination or expiration of the term of the Agreement. The HSP's obligations under this paragraph will survive any termination or expiry of the Agreement;
- (ii) all financial records, invoices and other financially-related documents relating to the Funding or otherwise to the Services will be kept in a manner consistent with generally accepted accounting principles and clerical practices; and

(iii) all non-financial documents and records relating to the Funding or otherwise to the Services will be kept in a manner consistent with all Applicable Law.

Prior to including an acknowledgement in any publication, the HSP will obtain the LHIN's approval of the form of acknowledgement. The LHIN may, at its discretion, decide that an acknowledgement isn't necessary; and
 - (ii) a statement indicating that the views expressed in the publication are the views of the HSP and do not necessarily reflect those of the LHIN or the Government of Ontario.

ARTICLE 10 – REPRESENTATIONS, WARRANTIES AND COVENANTS

SCARBOROUGH SUPPORT SERVICES FOR THE ELDERLY INC.

A. Overview

Mission Statement:

To initiate and implement programs and services to improve the quality of life for the elderly, and adults with disabilities in their efforts to remain active in the community

Scarborough Support Services for the Elderly Inc. (ref. Scarborough Support Services) is a non-profit charitable organization offering Community Support Services in the Scarborough area. The Agency operates and delivers its programs and services through employees and volunteers and is overseen by a community Board of Directors.

The programs and services offered by Scarborough Support Services allow seniors and adults with disabilities to continue to live in their own home environment with support. The Agency is partially funded by the Ministry of Health & Long Term Care, the City of Toronto – Community and Neighbourhood Services and the United Way of Greater Toronto. Other revenues include fees for service, fund raising, donations and productive enterprise.

Service Area:

Scarborough Support Services offers a variety of home support programs and services to clients residing in the City of Toronto. The Agency's main catchment area is enveloped by Steeles Avenue to the North, Lake Ontario to the South, Pickering Town Line to the East and Victoria Park Avenue to the West. In addition, the Agency also offers some of its programs and services beyond these limits.

Community Support Programs and Services include: Meals on Wheels, Congregate Dining, Adult Day Program, Transportation, Supportive Housing Program, Respite Care/Caregiver Relief, Home Help, Homemaking, Friendly Visiting/Telephone Reassurance and Outdoor Maintenance.

Goals for 2009/10 and 2010/11

↓ **Quality Improvement Activities:**

The Agency recognizes the need to maintain programs and services at a high level of quality and at the same time maintain unit cost.

The Agency will continue to encourage partnership/collaboration among various organizations, community centres, schools, and ethnic groups in order to address the growing needs.

The Agency has implemented changes to its food services and activities in order to accommodate clients from various backgrounds at several of its sites.

The Agency continues to respond to request for clients or caregivers on behalf of their loved ones who need staff that may speak the same language or may be familiar with their cultural or religious practices for personal care. The Agency's hiring practices targets candidates with some of those qualities and qualifications.

The Agency continuously monitors its environment including changes that are taking place with its funders, fees for service and fund raising capacity; demand from clients for services; changes in human resources and other environmental factors that may affect its operations.

↓ **internal evaluations or reviews planned or underway:**

As part of the Agency's quality management process, satisfaction surveys are conducted regularly with clients, volunteers and staff. The results are shared with Management and Board members. Urgent issues and complaints are reviewed and dealt with immediately. The Agency uses the results of these surveys to make necessary changes to its operating practices.

Scarborough Support Services has a client complaints resolution and appeals process that is in accordance with the Ministry of Health and Long Term Care guidelines.

Scarborough Support Services has prioritized safety in all aspects of its operation. Client, Employee and Volunteers are provided with regular information on the Agency's policies and practices. Programs such as Meals on Wheels have put into effect various protocols which are requirements for all staff and volunteers to practice such as; safe food handling including; proper hand washing and sanitization, and the sorting and packing of meals to maintain food temperature at a safe level. Clients are also provided with information on food safety as well as suggestions on what food staples they should have in case of emergency or if meals cannot be delivered.

Personal Support Workers are also provided with information on maintaining their health (taking the flu shot, vaccines, etc.), avoiding falls (on sidewalks, driveways and parking lots), and special training for proper lifting in order to avoid injuries.

Volunteers are also provided with training on safe driving, wheelchair safety and fall prevention.

Scarborough Support Services has a comprehensive Environmental Health Policy & Procedure manual. The "Health and Safety Duties & Responsibilities of the Organization" Policy Statement is reviewed annually by the Board of Directors and for staff and volunteer information.

↓ **Communication strategies planned or underway:**

Scarborough Support Services strategic plan completed in 2004 looked at forecasting for a 10-year period and identified areas for improvements and challenges the agency will be facing including:

- Demographic patterns will generate additional demand but funding is critical to meeting it.
- Patterns of volunteerism will continue to shift away from stable/dependable/longer-term sources necessitating new recruitment/retention policies/plans.
- Erratic hours for some service staff may become a way of life requiring new approaches to recruiting/training/motivating staff
- Competition, funding limitations, and changes in patterns of volunteerism will further exacerbate human resources management problems.
- Increase in special needs clients and equity seeking groups such as those with particular language, cultural (food services), medical, physical, financial (unable to pay fees) limitations in the community will require increase in funding resources in order to provide equitable and accessible services.

↓ any other notable activity of which the LHIN should be aware

Community Support Services will provide seniors the **right service** that is, home support services; in the **right place** which will be in their own home environment; and, the **right time** which will be when they need support to continue to live at home with dignity.

B. Advancement of the Integrated Health Services Plan (IHSP)

The Agency's 2009/2010 Operating Plan is in keeping with the Ministry of Health's Long-Term Care Reform guiding principles as well as the Central East LHIN IHSP Work Plan. Examples of these are evident in the Agency's operating plan, program priorities and action plans. The 2009/2010 overall Agency priorities are as follows:

- Managing and maintaining a safe environment for our Clients, Employees and Volunteers in every aspect of our operations.
- Improving accessibility to services by encouraging agencies and special needs groups to work together in order to offer client-centered, sensitive community care to seniors and adults with disabilities.
- Continuing to encourage corporations, schools, service clubs, and religious organizations to work with agencies in order to maintain the volunteer spirit in the community.
- Working in collaboration with other service providers and the Central East LHIN in developing a comprehensive client-centered integration plan for seniors and adults with disabilities in the community.

C. Situation Analysis

The Agency serves clients from a variety of ethno-racial groups including Chinese, Italian, Greek, Sri Lankan, German, French, Polish, Spanish, South Asian, East Asian (Indian), Guyanese, Jamaican, etc. (Note: The Agency's ethno racial client make up is greater than the statistical data collected because the system only identifies the clients whose first language is not English).

The Agency also serves a number of clients with low income. Fee subsidies continue to be a barrier for low income clients.

Scarborough Support Services will continue to work with the **Local Health Integration Network (LHIN)**, Long Term Care homes, the CCACs and hospitals, to ensure that community support services for seniors and adults with disabilities are front and centre and available to those who want to maintain healthy lifestyles in the communities they reside.

Key Service Delivery Objectives:

- The Agency recognizes the need to maintain programs and services at a high level of quality and at the same time maintain unit cost.
- The Agency will continue to encourage partnership/collaboration among various organizations, community centres, schools, and ethnic groups in order to address the growing needs.

D. Evaluation of Prior Year Performance

Scarborough Support Services will continue to:

1. Identify best practice models/guidelines to be used in community support services for the identified priority populations.
2. Develop recommendations for models that include guidelines/norms for: funding, scope of services, assessment practices, outcome measures.
3. Ensure that the perspective of clients and families are incorporated into the model through interviews with clients and their families about their experiences.
